

## Frequently Asked Questions

How does the program work?\*

You must wear a transmitter on your ankle, and spend a minimum of 12 hours per day inside of your house. Depending on your employment status, you will be given 8 to 12 hours of “free time” every day to work and take care of personal business.

How much does it cost?

Costs associated with the program are determined on an individual case-by-case basis. It is based on a percentage of your income.

What are the requirements?

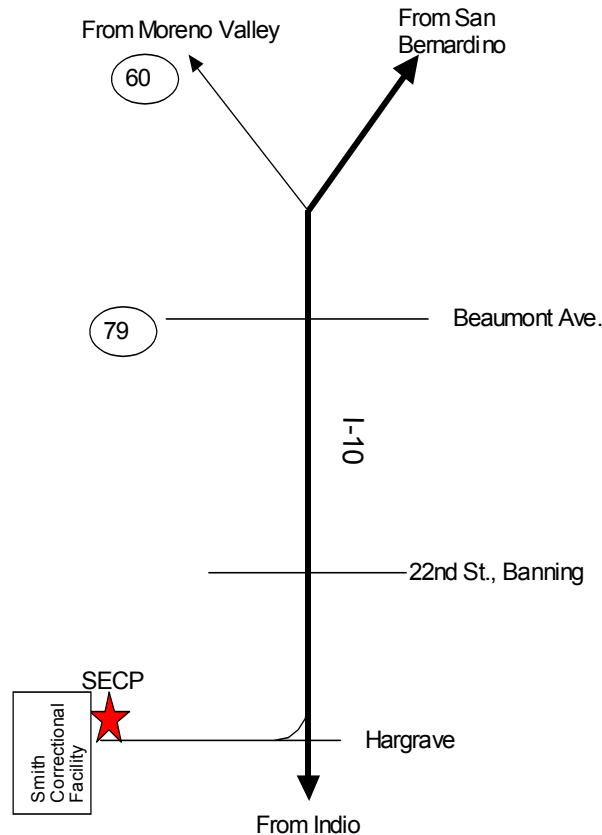

Pending approval, each applicant will be required to:

-Meet eligibility requirements (residency, equipment, etc.)

-Provide a picture I.D., current telephone bill, most recent pay
