POLICY STATEMENT:

The Sheriff may issue a concealed weapons license to law-abiding residents of Riverside County who comply with the provisions of Penal Code Section 12050.

In accordance to PC 12050, and subject to department procedures, any resident of Riverside County may submit an application to the Sheriff's CCW Unit.

Each applicant will be interviewed by the CCW staff to determine eligibility. Applications accepted will be individually investigated to determine residency, moral character, and good cause. Applicants will be required to submit documentation to support and demonstrate their need.

Good cause is an individual issue. Section 12050 [Penal Code] gives "**EXTREMELY BROAD DISCRETION**" to the Sheriff concerning the issuance of concealed weapons licenses, and explicitly grants discretion to the issuing agency to issue or not issue a license to applicant's meeting the minimum statutory requirements.

The Riverside County Sheriff's Department does not issue permits to "**Provide a feeling of safety**" or to alleviate a "**Fear of victimization**".

The Sheriff may place "**Restrictions**" on any permit that the Sheriff deems warranted. The restrictions may include the time, place, manner, and circumstances under which the licensee may carry the weapon.

Notwithstanding any appeal process, any permit, which grants the holder permission to carry a concealable firearm, shall, at all times remain the property of the Sheriff, and may be denied, suspended, or revoked at any time without cause. At no time does the permit become the property of the holder.

STANDARD APPLICATION FOR LICENSE TO CARRY A CONCEALED WEAPON (CCW)

California Department of Justice
STANDARD APPLICATION
for
LICENSE TO CARRY A CONCEALED WEAPON (CCW)

Authority

California Penal Code (PC) sections 12050 through 12054 provide that a sheriff of a county or the chief or other head of a municipal police department of any city or city and county may issue a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person (CCW license). PC section 12051(a)(3)(A) requires the Attorney General to prescribe a statewide standard application form for a CCW license.

Who May be Issued a License

The licensing authority specified in PC section 12050(a)(1) (a sheriff or head of a municipal police department) may issue a license to persons who are of good moral character, who have completed a course of training, and where good cause exists for issuance of the CCW license. **All applicants for a CCW will be fingerprinted and** state records will be checked to determine if they are in a prohibiting class. Attachments 1 2 and 3 (following page 14 of this application) list all categories that would cause a person to be in a class prohibiting them from possessing firearms and being granted a CCW license. These attachments are updated annually to reflect new legislation and other changes in the law.

Format of CCW License

A CCW license may be issued in either of the following formats:

1. A license to carry concealed, a pistol, revolver, or other firearm capable of being concealed upon the person.
2. Where the population of the county is less than 200,000 persons according to the most recent federal decennial census, a license to carry loaded and exposed in that county a pistol, revolver, or other firearm capable of being concealed upon the person.

Training Required

PC section 12050(a)(1)(B) and (E) specifies that new license applicants must complete a course of training. The training may consist of any course acceptable to the licensing authority. The licensing authority may require either a course not to exceed 16 hours which includes instruction on at least firearms safety and the law regarding the permissible use of a firearm or a community college course not to exceed 24 hours certified by the Commission on Peace Officer Standards and Training. If the licensing authority requires the community college course, it must be uniformly required for all CCW license applicants. The licensing authority may also require annual qualification on the weapon(s) during the term for which the CCW license is granted.

For license renewal applicants, the course of training may be any course acceptable to the licensing authority, shall be no less than four hours in length, and shall include instruction on at least firearm safety and the law regarding permissible use of a firearm.

State of California, Department of Justice
Standard Application for CCW License

Psychological Testing

In addition to licensing requirements as specified by the licensing authority, may require psychological testing on the initial application. If required, the applicant shall be referred to a licensed psychologist used by the licensing authority for the psychological testing of its own employees. Any fees charged will be the responsibility of the applicant and such fees shall not exceed \$150.00 for an initial test. Additional psychological testing of an applicant seeking license renewal shall be required only if there is compelling evidence to indicate that a test is necessary (PC section 12054(c)).

Completing the Application

Answering all the questions on this standard application does not guarantee the issuance of a CCW license. The determination whether or not to issue the license is the prerogative of the licensing authority. Each licensing authority, in addition to using the state standard application form, will have a written policy summarizing what they require pursuant to PC section 12050(a)(1)(A) and (B). Prior to issuing a CCW, the statutes require proof that:

- The applicant is of good moral character,
- Good cause exists to issue the CCW license,
- The applicant meets residence requirements, and
- The course of training prescribed by the licensing authority has been completed.

The application on the following pages sets forth standardized questions to be used by the CCW licensing authority to determine whether a CCW license shall be issued. The applicant shall not be required to complete any additional application or form for a CCW license, or to provide any information other than that necessary to complete this standard application form except to clarify or interpret information provided herein (PC section 12051 (a)(3)(C)).

The applicant will certify that all answers provided are true and correct to the best of their knowledge and belief under penalty of perjury. The applicant will also acknowledge that information disclosed on this application may be subject to public disclosure.

Important Instructions

- **Fill out, read, and sign Sections 1 through 5, as directed. Use additional pages if more space is required.**
- **Sections 6, 7, and 8 must be completed in the presence of an official of the licensing agency.**
- **Review Section 7 and be prepared to answer these questions orally. Do not write anything in Section 7 unless specifically directed to do so by the licensing agency.**

- Carry a concealed weapon not listed on the permit
- Carry a concealed weapon at times or circumstances other than those specified in the permit.

Pursuant to U.S. Government Code - Title 49, Chapter 26, Section 1472 (1) and Federal Aviation Regulation 121.583, a license to carry a concealed weapon does not authorize a person to carry a firearm, tear gas, or any dangerous weapon aboard commercial airlines. Further, a person must declare that he/she is carrying such firearm, tear gas, or dangerous weapon BEFORE entering the boarding area of an air terminal where the security checks are made. Such violation can result in arrest by law enforcement.

Any violation of these restrictions or conditions may invalidate the CCW license and may void any further use of the license until reinstated by the licensing authority. Any arrest for a felony or serious misdemeanor, including driving under the influence of alcohol and/or drugs, is cause for invalidating the license.

But the circumstances must be sufficient to excite the fears of a reasonable person, and the party killing must have acted under the influence of such fears alone.

In the event any claim, suit or action is brought against the agency that issued the license, its chief officer or any of its employees, by reason of, or in connection with any such act or omission, the licensee shall defend, indemnify, and hold harmless the agency that issued the license, its chief officer or any of its employees from such claim, suit, or action.

I am aware that any use of a firearm may bring criminal action or civil liability against me.

I have read, understand, and agree to the CCW license liability clauses, conditions, and restrictions stated in this Application and Agreement to Restrictions and to Hold Harmless.

I have read and understand the applicable Penal Code sections regarding False Statements on a CCW Application, Manslaughter, Killing in Defense of Self or Property, Limitation on Self-defense and Defense of Property, and Child Access and Firearm Storage, stated in this application.

Los Angeles County Sheriff's Department

Concealed Weapons Licensing Policy

The issuance of licenses enabling a private citizen to carry a concealed weapon (CCW) is of great concern to the Los Angeles County Sheriff's Department. The Department's overriding policy is that no concealed weapons license should be granted merely for the personal convenience of the applicant. No position or job classification in itself shall constitute good cause for the issuance, or for the denial, of a CCW license. Each application shall be individually reviewed for cause, and the applicant will be notified by writing within 90 days of the application, or within 30 days after receipt of the applicant's criminal background check from the Department of Justice, that the CCW license was either approved or denied.

In accordance with California Penal Code § 12050 et. seq., and subject to Department policy and procedures, any Los Angeles County resident may obtain a CCW application for authorization to carry a concealed weapon. Applications may be obtained from any sheriff's patrol station or directly from the Office of the Undersheriff. Completed applications may be submitted to any of these units for processing.

Types of Licensing and Expiration Periods for CCWs

There are four distinct categories of CCW licenses: Employment, Standard, Judges, and Reserve Police Officers. The Employment CCW license is issued only by the sheriff of a county to a person who spends a substantial period of time in his or her principal place of employment or business in the county of issuance. The license is valid only in the county issued and for any period not to exceed 90 days. The Standard CCW license is issued to residents of the county or a particular city within the county. The license is valid for any period not to exceed 2 years. The Judge CCW license may be issued to California judges, full-time commissioners, and to federal judges and magistrates of the federal courts. The license is valid for any period not to exceed 3 years. The Reserve Police Officer CCW license may be issued to reserve police officers appointed pursuant to California Penal Code § 830.6. The license is valid for any period not to exceed 4 years, except that it becomes invalid upon the conclusion of the person's appointment as a reserve police officer.

Training Requirements for a CCW License

Regardless of the category, all new license applicants for CCW's must now pass a specified course of training which is acceptable to the licensing authority, the Los Angeles County Sheriff's Department (See attached sheet, "Suggested Training Vendors"). New CCW license applicants must pass a specified course of training acceptable to the licensing authority. The course shall not exceed 16 hours, and the course shall include instruction on firearm safety, the law regarding the permissible use of a firearm and weapon proficiency. The licensing authority may also require

the applicant to attend a community college course certified by the Commission on Peace Officer Standards and Training (POST), up to a maximum of 24 hours, but only if required uniformly of all applicants without exception. For CCW license renewal applicants, the course of training may be any course acceptable to the licensing authority, shall be no less than 4 hours, and shall include instruction on firearms safety, the law regarding the permissible use of a firearm and weapon proficiency.

Qualifications for a CCW License

To qualify for a CCW, each applicant must demonstrate (1) proof of good moral character, (2) that good cause exists, and (3) that the applicant is a resident of the count or a city within the county, or, that the applicant spends a substantial period of time in the applicant's place of employment or business in the county or a city within the county. In addition, the applicant must complete the training requirements as listed above.

According to Los Angeles County Sheriff's Department policy (5-09/380.10) and the California Supreme Court (CBS, Inc. v. Block, (1986) 42 Cal.3d 646), good cause shall exist only if there is convincing evidence of a clear and present danger to life, or of great bodily harm to the applicant, his spouse, or dependent child, which cannot be adequately dealt with by existing law enforcement resources, and which danger cannot be reasonably avoided by alternative measures, and which danger would be significantly mitigated by the applicant's carrying of a concealed firearm.

The character requirement will be fulfilled by, but not limited to, a criminal history check through the Bureau of Criminal Identification and Investigation. The good cause requirement will only be fulfilled by thoroughly justifying the applicant's need to the Sheriff or his designee on the application form. The residence requirement will be fulfilled upon presentation of an approved, recognized identification card and at least one recently canceled item of United States mail.

If the applicant resides in an incorporated city, which is not policed by our Department, he or she must first apply to the Chief of Police of their city of residence for a CCW license and have the application acted upon. Within 60 days after a denial of the application, the city resident may file a separate application with the Los Angeles County Sheriff's Department, attaching a copy of the application denied by the Chief of Police. The Sheriff will exercise independent discretion in granting or denying licenses to these applicants. Further, the Sheriff may review, consider, and give weight to the grounds upon which the previous denial was made.

CCW License Subject to Restrictions

When a license is issued it will be subject to the following general restrictions.

While exercising the privilege granted under the terms of this license, licensees shall not:

1. Consume any alcoholic beverage. Represent to any person that they are peace officers, unless they are in fact peace officers as defined by law.
2. Abuse this privilege by an unjustified display of a deadly weapon.
3. Violate any law of this State or Country.
4. Be under the influence of any medication or narcotic drug. Impede law enforcement officers in the conduct or performance of their duty or activities.
5. Refuse to display their permits or to surrender their concealable firearm to any peace officer for inspection upon demand.
- 6.
- 7.

In addition, the Los Angeles County Sheriff's Department may place special limitations further limiting the time, the place, and the circumstances under which the license is valid. When each license is issued, general restrictions and any special limitations will be noted on the reverse side of the card.

Remember, it is a Privilege, not a right to carry a concealed weapon.

Application for CCW License Form

Upon reviewing the attached policy and meeting all requirements, please complete the Standard Application form in its entirety and forward to Sheriff Headquarters, 4700 Ramona Boulevard, Monterey Park, California, 91754-2169, Attention: CCW Coordinator.
